How To Order at freddy's?

1. Ordering In-Person at Freddy's

The traditional way to enjoy Freddy's is by ordering directly inside the restaurant, either for dine-in or carry-out.

- **Place Your Order:** Tell the cashier what you'd like, including any customizations such as cheese, bacon, or sauces.
- **Customize Your Meal:** You can choose a full combo (burger, fries, and drink) or order items à la carte. Upgrades like Onion Rings or Cheese Curds are also available, plus frozen custard toppings.
- **Pay & Pick Up:** After payment, wait for your number to be called. Freddy's makes food fresh to order, so it's served hot.

2. Drive-Thru Ordering

For a quick and convenient option, the drive-thru works just like the counter.

- Order at the speaker box with a team member.

- **Find a Location:** Allow the app to locate the nearest Freddy's and browse its menu.
- **Build Your Order:** Easily add or remove toppings, choose sides/drinks, and save your favorites for next time.
- **Checkout:** Store payment info for faster ordering.
- **Rewards Program:** Join Freddy's Rewards through the app to earn points on every order and redeem them for free food.

4. Ordering Through Delivery Apps
